Service

The most important feature of Taylor Crane Rental is our **customer first attitude**. We assure a smooth operation through on-site consultation, jobsite equipment planning and management, highly trained union operators, and 24/7/365 access via **(314) 544-3030**.

Expertise

Taylor Crane Rental operators are trained to handle equipment in many industries. Safety is a priority at Taylor Crane Rental. Our union operators are dedicated, fully trained and committed to safety, customer service and excellence.

Stability and Integrity

60 Years of serving the St. Louis area within a 300 mile radius demonstrates our commitment to our customers over time.

Fiscally conservative, Taylor Crane Rental's fleet consistently includes late model equipment

maintained to the highest industry standards. This attention to detail gives you both safety and competitive rental rates.
